

Panasonic Connect Company Profile

Our Purpose

Change Work,
Advance Society,
Connect to Tomorrow.

CEO Message

Panasonic Connect plays a central role in the growth of the Panasonic Group's B2B solutions business and provides new value to its customers by working with them on the ground, facing their challenges alongside them.

Our company's purpose, the very reason for our existence, is to "Change Work, Advance Society, Connect to Tomorrow." By driving innovation in the supply chain, public services, infrastructure, and entertainment sectors, we aim to contribute to the realization of a sustainable society and to ensure well-being for all.

Above all, we value "connecting" with our customers, being close to them and truly understanding their challenges, so that we can continually help them to solve problems and make even greater contributions to their businesses.

I look forward to your continued support.

Panasonic Connect Co., Ltd.
CEO Yasu Higuchi

Our Story

At Panasonic Connect, we help our customers connect today for a better tomorrow.

We work with them and our partners on the ground, facing their challenges alongside them.

Whether it's their technology, process, or operating site, we help improve and innovate work where the most impact is created. This allows us to be constantly learning and iterating, helping our customers and ourselves get smarter in the process.

Leveraging our decades-long experience and the latest technologies, we connect everything we provide, from hardware and software to smart components and autonomous systems, to create value for customers' business.

We connect people, processes, and technologies to move society forward.

It's our way of ensuring a sustainable future for our customers and our planet.

It's how we partner for tomorrow.

Our 5 Core Values

By connecting the power of people and technology, we bring innovation to our customers' operations and create a better future.

R&D Division Research Areas

We engage in the research and development of cyber-physical system (CPS) technology that integrates our customers' gemba and cyberspace to predict and solve their problems, aiming to integrate gemba data and achieve overall optimization by linking the technology with Blue Yonder's system

Co-creation

- Co-creation with customers and partners
- Interactive communication to visualize customers' operational issues
- Internal experts that draw on deep knowledge of operational processes
- Creation of unique solutions and new value

Customer Experience Center

Interactive communication to visualize customers' actual operational issues and work together to create solutions

Media Connect Space

Experience the latest broadcasting solutions to transform content production

Co-creation activity facilities

Network Connect Lab

Test and verify wireless network environments such as local 5G and private LTE

Sensing Connect Lab

R&D to construct technology verification environments closer to the customer's actual sites

Panasonic Connect Sustainability

Panasonic Connect positions corporate culture as a pillar of its management strategy and is fully committed to continuous innovation. We promote sustainability management based on a healthy culture.

We will reform the frontline operations in our workplaces and strive to reduce the environmental impact of the entire supply chain.

In our workplaces, everyone's human rights are respected, and each employee can continue to thrive. We aim for our CONNECTers' Success.

By connecting with customers and innovating on all frontlines, we contribute to the well-being of each and every member of society and the realization of a sustainable global environment.

Change Work, Advance Society, Connect to Tomorrow.

CONNECTers' Success

To realize our purpose, we aim for "employee success" where employees are thriving, transforming, and growing while practicing our core values. We also strive to increase employee engagement and individual productivity.

2027 target

Employee Engagement* **80**

* Using the Employee Kom Ferry Engagement Survey FY2023 Results: 65.8

2027 target

Added value created by each employee* **1.6** times

* Calculation of EBITDA per employee Compared to FY2023

Diversity, Equity & Inclusion

We do not tolerate discrimination of any kind, we accept different cultures, and ensure psychological safety. We aim to create an environment where everyone can play an active role.

2035 target

Ratio of female managers **30%**

7.7% as of April 1, 2024

Panasonic Connect's Sustainability Challenge

Decarbonization

The entire Panasonic Group will achieve carbon neutrality in-house, and Panasonic Connect will actively work to reduce the environmental impact of manufacturing.

2030 target

In-house CO2 emissions substance **zero**

Procurement Sustainability

To confirm compliance with Panasonic Group guidelines, we conduct assessments of procurement partners and assess risks.

2025 target

Procurement partner collection of CSR Assessment Check Sheets **100%**

99.9% as of November 2024

Legal Compliance

In addition to taking strict and speedy measures against harassment, we will promote the penetration of a speak-up culture and build an environment where all employees can work with peace of mind.
